Policies and British Values

In line with our School Development Plan, Chiltern Way Academy believes in equal opportunities for all. An education that focuses on numeracy, literacy, life and vocational skills will best serve our students to face the challenges of Twenty First Century life. We acknowledge the expectation that the key British Values of democracy, the rule of law, individual liberty, mutual respect and tolerance of those with different faiths and beliefs, will be routinely emphasised as part of academy life, both inside and outside the classroom. It is the expectation that all our students will leave the academy prepared to serve the community positively, fully imbued with a balanced view of society and its differences. This encompasses the UNCRCs rights for the child.

Public Sector Equality Duty

Chiltern Way Academy has an obligation under the Equality Act of 2010 as both an employer and a school which carries out a public function and service.

Compliance with the Public Sector Equality Duty by 31st December 2011 is a legal requirement and requires schools to integrate and include consideration of Equality into day to day routines at Chiltern Way Academy.

As Set out in The Equality Act 2010 schools in the exercise of their functions must have due regard to:

1. Eliminate unlawful discrimination, harassment, victimisation and other conduct prohibited by the Act
2. Advance equality of opportunity between people who share a protected characteristic and those who do not
3. Foster good relationships between people who share a protected characteristic and those who do not

Protected Characteristics

The protected characteristics for the schools provisions are:

- 1) Disability
- 2) Gender reassignment
- 3) Pregnancy and maternity
- 4) Race
- 5) Religion or belief
- 6) Sex
- 7) Sexual orientation

For schools, age is not a protected characteristic in the equality duty in relation to education or the provision of services, it is included however in relation to staff. Marriage and civil partnership are also protected characteristics but only in relation to employment.

This policy is written to harmonise our existing Gender, Race and Disability Policies into one and to further include gender reassignment, sexual orientation, pregnancy and maternity and religion or belief.
