

# Reading Review

We have very quickly come to the end of Autumn Term, and it has been a very busy one! We are really proud of all of the reading that has been done by the students this term, both at home and at school. If you haven't started to read with your child at home, please add it to your list of New Year's resolutions and start in January! It does not have to be your child reading to you, it can also be you reading a bedtime story to them. Teachers will be happy to send books home for you to read, please ask them via dojo or email.

## Fantastic Christmas Reads

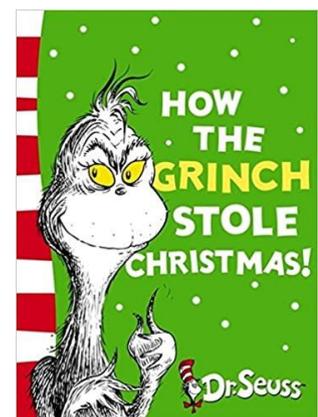

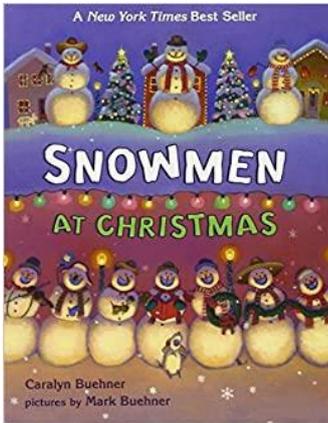

### The Jolly Postman at Christmas by Janet & Alan Ahlberg

This is a classic that is popular with all ages. The Jolly Postman is on his Christmas Rounds and he has letters to deliver to everyone's favourite fairytale characters. On each page there are letters and envelopes for the children to open, which makes it a fantastic interactive read.

### How the Grinch Stole Christmas by Dr Seuss

A fantastic way of getting children into books and reading is to start with a familiar story, or one that has a film version that they can watch afterwards! This classic tale tells the story of the disgruntled Grinch and his attempts to steal Christmas from the citizens of Who-ville.

### Snowmen at Christmas by Carolyn Buehner

On Christmas Eve, the town's snowmen come alive for caroling, dancing and celebration to await the arrival of the snowman Santa Claus. Families love this book because the story and the artwork are fantastic, and children will have fun looking for the hidden pictures on each page.

Also a huge well done to the students that have been working really hard on their phonics!

### Reading Buddies

Some fantastic work from Performing Arts and Public Services this term! The two classes have joined up to for 'Reading Buddies' once a week, where the older students go to read with the younger ones. So far, this has had a fantastically positive impact on all students involved!
