Purpose of the policy

This document is provided as an exams-specific supplement to the centre-wide equalities/disability/accessibility policy/plan which details how the centre will:

“recognise its duties towards disabled candidates, including private candidates, as defined under the terms of the Equality Act 2010†. This must include a duty to explore and provide access to suitable courses, through the access arrangements process submit applications for reasonable adjustments and make reasonable adjustments to the service the centre provides to disabled candidates; †or any legislation in a relevant jurisdiction other than England and Wales which has an equivalent purpose and effect”

JCQ’s General Regulations for Approved Centres 2020-2021 (section 5.4)

This publication is further referred to in this policy as [GR](#).

This policy details how the centre facilitates access to exams and assessments for disabled candidates, as defined under the terms of the Equality Act 2010, by outlining staff roles and responsibilities in relation to

- identifying the need for appropriate arrangements, reasonable adjustments and/or adaptations (referred to in this policy as ‘access arrangements’)
- requesting access arrangements
- implementing access arrangements and the conduct of exams
- good practice in relation to the Equality Act 2010

The Equality Act 2010 definition of disability

Generally, impairments have to meet the statutory requirements set out in section 6 and Schedule 1 to the Equality Act 2010 and associated regulations.

The Equality Act 2010 definition of disability is usually considered cumulatively in terms of:

- identifying a physical or mental impairment;
- looking into adverse effects and assessing which are substantial;
- considering if substantial adverse effects are long term;
- judging the impact of long term adverse effects on normal day to day activities.

This process is carried out prior to the assessor undertaking any assessment of a candidate. Evidence of the assessor's qualification(s) is held on file for inspection purposes and is presented to the JCQ Centre Inspector by the SENCo. The assessment

process is administered in accordance with the regulations and the correct procedures are followed as per Chapter 7 of [AA](#).

Word Processor Policy – Exams

This policy is available on the Academy’s website and upon request from the Examinations Officer. The policy details the criteria Chiltern Way Academy uses to award and allocate word processors for examinations.

The ‘normal way of working’ for exam candidates, as directed by the head of centre, is that candidates handwrite their exams. An exception to this is where a candidate may have an approved access arrangement in place, for example the use of a scribe/speech recognition technology.

Awarding word processors:

There are also exceptions where a candidate may be awarded the use of a word processor in exams where he/she has a firmly established need, it reflects the candidate’s normal way of working and by not being awarded a word processor would be at a substantial disadvantage to other candidates.

“Centres are allowed to provide a word processor (e.g. computer, laptop or tablet) with the spelling and grammar check/predictive text disabled to a candidate where it is their normal way of working within the centre, unless an awarding body’s specification says otherwise. For example, where the curriculum is delivered electronically and the centre provides word processors to all candidates. This also includes an electronic braille or a tablet.”
[ICE 14.20]
