

## **Home Learning**

We know that for our students, homework can be a trigger for dysregulation at home. Because of this, we don't set any formal homework unless students request it. However, we do ask that you and your child read together at home at least twice a week. If you need any extra support with this, please speak to your child's class teacher.

If you would like to do any learning at home, we have some websites and games that students can play to practice some key skills.

[Times Tables Rock Stars \(ttrockstars.com\)](https://ttrockstars.com) – a fun way to practice times tables, particularly important for Year 4 students! Ask your teacher if you don't know your login.

[Spelling Shed - Spelling Shed - Spelling game for school and home](#) – students can practice their weekly spellings through a range of games, ask your teacher for a login.

[PhonicsPlay](#) – check with your child's teacher to find out what phonics phase your child is working within, and then play some fun games to practice their sounds.

## **Covid-19 Home Learning**

If any bubbles or classes need to close due to a case of Covid-19, lessons would move online and be delivered via Microsoft Teams. All students have been taught how to use Teams in school, and everyone has had their log ins sent home. You can access Teams via any internet device, including a phone and X Box. If you need any support during this time, please contact your child's class teacher via dojo, or email Mr Mansell or Miss Power.
