<b>Conditions for receipt of bursary payments</b>	<b>6</b>
<b>How bursary payments will be made</b>	<b>6</b>
<b>How to apply</b>	<b>7</b>

The Government has set aside money to allocate to young people who need financial support to stay on in further education or training. This is called the *16-19 Bursary Fund* and is intended to help with education-related costs that may otherwise be a barrier to participation.

This policy is based on the [16-to-19-bursary-fund-guide-2020-to-2021-academic-year](#) guidance from the Education and Skills Funding Agency (ESFA).

## **Types of Bursary**

There are 2 types of 16 to 19 bursary

- 1) bursaries for *defined vulnerable groups* of up to £1,200 a year
- 2) *discretionary* bursaries

## **Who is eligible to apply for the funding?**

### Age

- A student must be aged 16 or over but under 19 at 31 August 2020 in the 2020 to 2021 academic year.
- Students aged 19 or over must be continuing on a study programme they began aged 16 to 18 or have an Education, Health and Care Plan (EHCP) and can only apply for the discretionary bursary

### Residency

Students must meet the residency criteria in the [ESFA funding regulations for post-16 provision](#)

### Defined Vulnerable Group Bursary

Students who are in any of the defined vulnerable groups and who have a financial need can apply for this type of bursary.

The defined vulnerable groups are:

- in care
- care leavers
- receiving Income Support, or Universal Credit because they are financially supporting themselves or financially supporting themselves and someone who is dependent on them and living with them such as a child or partner
- receiving Disability Living Allowance or Personal Independence Payments in their own right as well as Employment and Support Allowance or Universal Credit in their own right

The bursary for vulnerable groups can pay up to £1,200 per year to a student participating on a study programme that lasts for 30 weeks or more. Students on study programmes of less than 30 weeks would be paid a pro-rata amount.

Students will not automatically receive £1,200 if they do not need the full amount to participate. Similarly, a student may meet the defined vulnerable group criteria but may not have a financial need, this may be because the financial needs are already met. Chiltern Way Academy can refuse the student's application on this basis.

#### *Definition of in care and care leavers*

*The 16 to 19 Bursary Fund defines 'in care' as 'Children looked after by a local authority on a voluntary basis (section 20 of the Children Act 1989) or under a care order (section 31 of the Children Act 1989) - Section 22 of the Children Act 1989 defines the term 'looked after child'.'*

*A 'care leaver' is defined as:*

- *a young person aged 16 and 17 who was previously looked after for a period of 13 weeks consecutively (or periods amounting to 13 weeks), which began after the age of 14 and ended after the age of 16; or*
- *a young person aged 18 or above who was looked after prior to becoming 18 for a period of 13 weeks consecutively (or periods amounting to 13 weeks), which began after the age of 14 and ended after the age of 16*

#### *Evidence of eligibility*

The following proof of eligibility for vulnerable groups will be required:

- For students who are in care or a care leaver, written confirmation of their current or previous looked-after status from the relevant local authority. The evidence could be a letter or an email but must be clearly from the local authority
- For students in receipt of Income Support or Universal Credit, a copy of their Income Support or Universal Credit award notice. This must clearly state that the claim is in the student's name/confirm they are entitled to the benefits in their own right. The evidence must not state any conditions that prevent them from participating in further education or training
- For students in receipt of Universal Credit (UC), a tenancy agreement in the student's name, a child benefit receipt, children's birth certificates, utility bills etc.
- For students receiving UC/Employment and Support Allowance and Disability Living Allowance and Personal Independence Payments, a copy of their UC claim from DWP (UC claimants should be able to print off details of their award from their online account). Evidence of receipt of Disability Living Allowance or Personal Independence Payment, must also be provided.

Chiltern Way Academy will only submit a funding claim to the Student Bursary Support Service (SBSS) for the vulnerable group bursary when evidence to confirm eligibility has been received.

### Discretionary Bursary

Chiltern Way Academy may award a discretionary bursary to those students facing genuine financial barriers to participation. We set the criteria and will consider factors such as:

- Household income (less than £30,000, as a guideline)
- The student was eligible for Free School Meals in Year 11 or is currently eligible
- The household is in receipt of other means tested benefits
- The number of dependent children in the student's household

Meeting any of the criteria above does not guarantee an award. All decisions on how much bursary is awarded will be based on each individual student's circumstances and their actual financial need. Any discretionary bursary awarded will be used to fund specific items.

### Evidence

When assessing the application and amount of discretionary bursary, you will be required to provide proof of household income and we will request to see the following applicable evidence:

- P60
- Pay Slips (most recent 3 months)
- Bank statements (most recent 3 months)
- Universal Credit award notices for the most recent 3 months
- Tax credit award notifications
- Self-employment income evidence
- Other means tested certification
- Child Benefit notification

(Where the Local Authority checking service shows that a student is eligible for Free School Meals, as this is means-tested, we may not require further evidence).

### **How the bursary fund is to be used**

The purpose of the bursary fund is to help students with costs specifically associated with their education/training course. These include but are not limited to:

- Books
- Cost of attending interviews and open days

- Equipment
- Educational trips
- Transport eg. bus pass to support independent travel (but does not replace the statutory duty of the local authority)
- Uniform

Chiltern Way Academy can request that students return specified items at the end of their study programme so that these items can be used again by another student, where appropriate. We reserve the right to keep these items on campus where necessary.

### **Conditions for receipt of bursary payments**

Payments are conditional on students meeting the following standards in relation to attendance and behaviour:

- Attendance is above 90%
- Behaviour is in line with school expectations

All students will be required to sign a declaration confirming they agree to these conditions. Students who fail to meet these conditions may have their award withheld. The impact on attendance caused by illness, caring responsibilities or other exceptional circumstances will be taken into consideration.

We will withhold awards where students have been absent for a period of 4 continuous weeks or more (excluding school holidays, or if there is evidence that the student intends to return).

As much as possible, we will avoid sanctioning students to the extent that the bursary funding is withheld for a whole term.

We reserve the right to take back money from students where it is not spent for the reasons it was awarded. We will consider the impact of such an action on the individual student before taking a final decision to do so.

### **How bursary payments will be made**

Where an application for a 16-19 bursary award is successful, the award will be held by Chiltern Way Academy and used to purchase specified items directly on behalf of the student.

In some situations, where Chiltern Way Academy deems it appropriate, the defined vulnerable bursary award may be paid in instalments directly into a bank account held in the student's name only.

A student's unspent bursary award may not be carried forward to the next year. Chiltern Way Academy will recycle funding that has not been spent because a student has left/did not meet the agreed conditions; this funding will be used to offset funding claims for newly identified students who meet the criteria.

### **How to apply**

By completing the *16 to 19 Defined Vulnerable Bursary Fund Application Form 2020/21* and/or *16 to 19 Discretionary Bursary Fund Application Form 2020/21* available from the school/school website.

Chiltern Way Academy encourages applications to be made by mid-June for the following academic year, when students will know if they are staying on for our Post 16 provision. We will process applications at the start of the academic year to which they relate, although applications will be accepted throughout the academic year.

Applications should be made on an annual basis, where there is a need. The SBSS has set a deadline of 31<sup>st</sup> July 2021 for the *defined vulnerable bursary* for the 2020-21 academic year and will not pay any claims submitted after this date.
