2. To make differential diagnoses and clinical decisions based on evidence from assessment, seeking support and advice from a supervisor as appropriate.
3. To develop a high level of knowledge and expertise in supporting functional skills when considering the individual needs of young people with SEMH and ASC.
4. To develop occupational therapy care plans, based on best practice via a range of direct and/or indirect models of delivery within an educational setting, evaluating the impact on the structures of the individual, the barriers to activity and participation within the educational setting.
5. To train education staff to incorporate specialist strategies and intervention approaches into their practice and participate in monitoring the effectiveness of that training.
6. To participate in the delivery of a programme of continuing professional development for teaching and support staff within the school.
7. To work collaboratively and openly with professional colleagues in other services seeking support from the clinical supervisor as appropriate.
8. To communicate complex condition related information from assessment to clients, carers, families and members of the multi-disciplinary team/other professions, demonstrating empathy and ensuring that effective communication is achieved, particularly where barriers to understanding exist seeking support from the clinical supervisor as appropriate.
9. To work closely with all members of the multidisciplinary team to provide a fully integrated approach to the management of the young person.
10. To deal with an initial complaint sensitively, avoiding escalating where possible seeking support from the clinical supervisor as appropriate.
11. To develop the ability to manage groups of students with support, employing appropriate management strategies and seeking support as appropriate.
12. To monitor and review the progress of clients against the targets set and agreed, seeking support from the clinical supervisor as appropriate.
13. To provide cover across the service during episodes of staff shortages/heavy workload to ensure effective service delivery.
14. To undertake to write accurate records which fulfil legal and professional requirements, and to Chiltern Way Academy's requirements.
15. To critically evaluate new intervention methods and models of service delivery and review/implement where appropriate.
16. To write highly specialist pupil related reports to specify needs in EHCP plans.
17. Be able to manage own time in order to meet key objectives previously agreed with the Lead Therapist/SENCO/ Head of Campus.
18. To implement service specific outcome measurements.
19. To manage clinical audit as required.
20. To recognise situations where the effectiveness of the service is compromised and with guidance take appropriate action to challenge the situation.
21. To reflect on personal performance and use this to enhance the effectiveness, efficiency and quality of future practice, and the development of the OT provision at Chiltern Way Academy.

22. To participate in arrangements within an agreed national framework for the appraisal of your own performance to Chiltern Way Academy requirements.
23. To ensure that all activities are risk assessed and documented in the appropriate format.
24. To offer Clinical placements for student OTs or support for OT apprentices following university guidelines.

Communication

To communicate effectively with children, families and colleagues using appropriate strategies and modifying communication style as required to take account of the communication partner's needs. This might involve using interpreters, communication aids or different communication modalities. In challenging situations, advice and support should be sought from Lead Therapist, the SENCO or Head of Campus.
