## Interviews

This will be a two stage process:

### Stage 1

- an interview with the students
- teach a 30 min lesson
- a skills based interview

A further shortlisting process will take place before moving to Stage 2.

### Stage 2

- a values and beliefs interview to discuss your motives for working alongside young people and your attitude towards them.

It would be helpful if candidates could bring pertinent qualification certificates and ID documentation to the interview (documentary evidence table will accompany the invitation to interview letter).

Shortlisted candidates will be required to complete a Self-Declaration form prior to the interview.

Successful candidates will be required to complete an online DBS form and health questionnaire.
